PDNSA Awards 2018

The PDNSA is pleased to launch the 2018 award nominations. Whilst only members can nominate and vote, you can nominate individuals in any category, even if they are not a PDNSA member. Nominations will be shortlisted, and returned with a synopsis, so that members can then vote on each category. The winners will be announced at the PDNSA conference dinner.

The PDNSA Committee award will be an individual person chosen by the committee, from nominations received.

Please email your nomination form back to awardspdnsa@gmail.com. You do not have to complete a nomination in all of the categories, and you can nominate yourself.

Please return nominations by Friday 19th October 2018
