

On-Demand Parkinson's Foundation MasterClass

Now available on demand: Our Parkinson's Foundation MasterClass, specifically designed to give participants a solid grounding in the knowledge and skills they need to practice in this clinical area. This year, as a response to both your continued interest in specialist education and the challenges wrought by the coronavirus pandemic, we are providing our first full MasterClass virtually and on demand. With over 17 years of experience delivering Parkinson's Education, we are excited to bring you a new way to learn.

Who is this course for?

It is suitable for anyone looking to improve their understanding of Parkinson's - it's diagnosis, management, and treatment. It is particularly appropriate for non-final year registrars, old age psychiatry registrars, Parkinson's nurses within the first 18 months of post, occupational therapists, speech and language therapists, pharmacists, clinical fellows, and clinical lecturers and GPwsi. We are also welcoming international Parkinson's healthcare professionals - although please be advised that this course is delivered from a UK perspective.

Course cost

The course cost is £400 inc VAT. To apply please complete the form on our website. We will be in touch with you once your application is approved with an invoice. Your log-in details for the course will be provided upon receipt of the course fee.

What next?

Once your application has been approved and your invoice has been paid, you will have access to a range of pre-course reading. The course is comprised of 12 sessions totalling 14 hours of learning that can be accessed on demand at a time to suit you. Upon completion of all sessions you will also receive a certificate to add to your portfolio.
